

JUMPSTART YOUR TEACHING CAREER IN CCSD!

*Charleston County School District
is committed to helping you*

Jumpstart your teaching career!

How does \$3000.00 sound to get your
year started off right?

Who is eligible?

Teachers who are beginning their very first year of teaching in a K-12 school district!

When would I get the bonus money?

The \$3,000 (deductions will be taken out) will be paid after you attend New Hire Orientation AND you report to your school for the school year.

Why am I getting this bonus money?

CCSD knows that a first year teacher has financial challenges like paying for test prep material, Praxis exams, applying for SC certification, etc. This bonus money will assist our first year teachers with these necessary expenses.
